Graphic Designer | Production Designer | Illustrator | Cartoonist

I am a graphic designer with over 10 years of experience, crafting over 120,000 separate design projects. I am a profitable employee whose designs were consistently pleasing to a wide variety of businesses. I was chosen to work on media for high profile customers, including Siegfried & Jensen, and other contracts worth over \$800,000 each year. I was able to develop production skill sets which not only boosted personal build quotas, but also helped boost performance for every designer in the art department.

ACCOMPLISHMENTS

- Trusted by superiors; allowed to work without supervision due to consistent obedience to company policies
- Fast worker; consistently exceeded build quotas at work by 20%
- High accuracy rate, resulting in avoidance of customer write-offs
- 10+ years' experience with PC and Mac computers
- Extremely punctual, never missed work in over 10 years
- Adaptable; learns new programs with minimal training
- Cross-trainable; able to do typography composition, scanning, illustration, logos, maps, contract entry, etc.
- Versatile; able to produce print or online media
- Ability to work well with teams or individuals; never written up for disciplinary action
